PREORDER PROCEDURE

To place a preorder for your suite, please create a Tapin2 account, which will serve as your ordering platform for the season. Once your account has been established, you may begin submitting orders. Our full menu will be available for preorder up to the ordering deadline date listed below. After this deadline, ordering will transition to our more limited Gameday Menu. If you need assistance with placing an order, please do not hesitate to reach out to the Legends Suites department.

STANDARD ORDER

If you’re planning to have a recurring order in your suite for every game, we’d be happy to help you build out a menu. Once the menu is set, you won’t need to place an order for each event—we’ll take care of submitting it for you. Standard orders can always be adjusted throughout the season as needed. Just give us a call or send us an email, and we’ll be happy to assist!

PAR STOCKS

If you would like to ensure that your suite is consistently stocked with the same beverages for each event, we can assist you with establishing a par stock. You simply select the types and quantities of beverages you would like available in your suite for every event. Following each event, your beverage inventory will be reviewed and replenished. Any replenishment charges will be applied separately to your account.

ORDERING DEADLINE

To ensure that all food and beverage orders are fulfilled, we kindly request that preorders be submitted no later than four (4) business days prior to the event. For Bills games please follow the order deadline schedule listed below.

Cancellations received within forty-eight (48) hours of the event will incur a charge equal to fifty percent (50%) of the order subtotal. Orders can not be canceled the day of the event, and the suite holder will be responsible for the full order amount.

BREAKAGE

The suite holder is responsible for any excessive damage or breakage within the suite caused by their guests. While we understand that minor wear and tear may occur through normal use, any damage exceeding standard usage will be the responsibility of the suite holder.

The suite holder will be charged the replacement cost for any items determined to have been damaged or broken beyond normal wear and tear.

TAKE AWAY

For the safety of our guests, all food and beverage orders are intended for consumption on-site within your suite. Legends Global is not responsible for any consequences resulting from food being removed from the premises.

The New York Alcohol and Beverage Commission (ABC) prohibits alcohol from being brought into or out of Highmark Stadium. State Law prohibits the consumption of any alcoholic beverage by any person under the age of 21.
